

How to Log In to Desired Email

Welcome. This short guide will help you log in to your Desired Email account. The steps are simple, clear, and easy to follow, even if you are new to computers. Most people finish everything in just a few seconds.

There is no need to worry about anything. We will walk with you through each step, one at a time, so you always feel confident, supported, and fully in control.

Step-by-Step Instructions

1. Go to <https://www.desiredemail.com>
2. Enter your full DMail address in the username field (the one you wrote down)
3. Enter your password in the Password field (the one you wrote down)
4. Check that your DMail address and password are typed correctly so your login works the first time
5. Click the gray Login button
6. If your information is correct, you will be taken to your dashboard. If the key icon has a red circle through it, please go to Settings and set up your key to finish securing your account
7. If you see an error message, please check your DMail address and password and try again
8. If you still cannot log in, click the "Forgot Password" link and follow the steps to reset your password. This will help you safely regain access to your account
